FOR A CAUSE:

Actress Rituparna Sengupta (above, with daughter Rishona) spent Monday morning with the underprivileged children of NGOs Disha and Prayas at Mohan Bhawan in Lake Gardens. "It is always a pleasure to spread some happiness. It pains me to see the suffering they have gone through at such a tender age. I feel everyone must come forward and do their bit to brighten the lives of these children," said Rituparna. Keeping her company was Raj K. Modi, chairman, Vedic Village, who helped the cause by gifting a home theatre system to the two NGOs that work with street children.
